- Campers that are not tall enough to stand in the shallow end with their head above the water will be required to wear a Coast Guard approved floatation device (lifejacket or a puddle jumper). The YMCA does have a limited supply of these jackets and puddle jumpers at the YMCA. You are welcome to bring your child's own life saving device if you wish.
- Those campers who wish to swim in the deeper parts of the pool will need to go through a swim test supervised by our YMCA lifeguards. The swim test will consist of campers swimming the length of the pool (unassisted) and treading water for 10-15 seconds.
