WINTER BASKETBALL FAQs

Why are you not offering Winter Basketball?

- The YMCA relies heavily on schools and churches to host indoor sports. At this time, we do not have access to enough facilities to play our league.

When is the next time you will offer basketball?

- Depending on availability, we will look at offering basketball in the summer and/or fall seasons.

What if I have a credit on my account from the Spring 2020 season?

- The credit can be used towards ANY YMCA program or membership fee through March 2021. You may also receive a refund instead by emailing Morgan Rickert at mrickert@ymcafw.org.

Which sports will you offer for the Winter 2021 season?

- We will offer basketball clinics at the Airport YMCA, Benbrook YMCA, Downtown YMCA, Hood County YMCA and McDonald YMCA. Limited spots will be available.

When will you start registration for the clinics?

- Registration will be open online starting October 26th.

Which sports will you offer for the Spring 2021 season?

- We will have our Spring sports schedule listed on our website on December 1 and registration will open on January 1.
